WHAT IS FRIENDS FOREVER INTERNATIONAL?

OUR MISSION

Friends Forever International (FFI) is a 501(c)3 nonprofit that helps youth become the best versions of themselves so they can help their community become the best version of itself.

OUR HISTORY

The first delegation of youth leaders, made up of Catholic and Protestant youth from Northern Ireland, traveled to New Hampshire in 1986 during the height of The Troubles. The experience took them out of the conflict and into a neutral space. It allowed the youth to recognize their similarities rather than their differences, learn to work with each other instead of against, and return home with the skillsets to continue breaking these barriers. For many years, FFI was engaged primarily in the practice of intergroup contact theory. More recently, FFI has evolved its understanding of conflict transformation beyond the status quo of traditional conflict resolution programs into one that emphasizes individual leadership and community-level action. As an organization, we have grown to be a global organization with campuses and leadership programs on multiple continents.

OUR PRESENT

FFI now enrolls hundreds of leaders each year from the United States, as well as Northern Ireland, Ireland, Uganda, Eastern Europe, and Central Asia. Participants come in groups from their schools or afterschool programs, or as individuals. All accepted applicants that apply individually receive a 100% full scholarship. This includes, travel expenses and all program fees. Additionally, all youth from NH receive academic credit for completing an FFI program.

To accommodate our programs' growth, FFI has established campuses in strategic locations. Our Global Hubs include the Office and Farmhouse in Durham, NH, the 70-bed FFI Center at Annalong, Northern Ireland, and our 30-acre Rainforest Academy in Belize.

WHY PARTNER WITH US?

Friends Forever International (FFI) believes that local businesses are valuable partners in both our regional and global leadership programs for youth. Together, it is our responsibility to empower youth leaders around the globe to be the change they want to see in themselves and the world, as well as help them develop the skills

FFI PROGRAMS

FFI PROGRAMS

FFI's offers rigorous leadership programs for individuals and groups in the US and internationally. Friends Forever International is an independent 501(c)3 nonprofit organization.

PROGRAM SPONSORSHIP

FFI has partnered with corporations since 1986 to show our young people how a team can come together to accomplish a shared goal. Whether it's hosting our youth, volunteering at our campuses, directly sponsoring an activity, or providing in-kind services, our youth see first-hand that local businesses are essential partners in helping to bring about positive community change.

We'd be happy to explain how you can use your passion and business expertise to help us design and implement a meaningful experience for your staff and our youth program participants. Some examples include:

- Local restaurants hosting healthy cooking classes for a team
- Bank, law, or marketing firm employees helping participants practice their speeches
- Financial advisors leading a personal finance workshop
- High-tech professionals, local tradesmen, and contractors talking about careers
- Offering FFI youth a tour of your facilities and meetings with your staff
- Together with our youth, volunteering at a nonprofit

See how to make these opportunities a reality below:

EILEEN D. FOLEY DINNER & ROAST

Each year, FFI presents the Eileen D. Foley Award to a New Hampshire citizen(s) who takes personal responsibility in making the world a better place. A former Portsmouth mayor, Eileen D. Foley dedicated her career to public service and charitable causes. Once chosen, the honoree will be presented with the reward and promptly "roasted" by family, friends, and fellow community leaders at a dinner (which typically sells out quickly).

Guests can expect a fun filled evening and there is no need to bring their wallets. Everything is included and there will be ZERO fundraising (no auctions or asks). They just need to bring their sense of humor!

To learn more about sponsoring this event, visit www.ff.international/roast

GOLF FORE PEACE

Our annual golf event is held at the Wentworth By the Sea Country Club in June of each year. This intimate tournament provides our partners with an opportunity to support our mission and leadership programs through individual or corporate sponsorships. Participants earn bragging rights as their skills are put to the test with Longest Drive, One Club Only, Hole-in-One, and Putting competitions.

100% of the tournament's revenue will go towards our programs. Over cocktails, attendees can hear from Friends Forever International alumni from the about our programs, their impact, and how FFI changed their lives and communities.

CAMPUS OPPORTUNITIES

OUR GLOBAL HQ & NEW ENGLAND HUB

Our campus is located in Durham, NH, and is comprised of two adjacent properties, the Office and the Raiche Farmhouse. Conveniently located on Route 4, we are minutes away from Portsmouth as well as the University of New Hampshire in Durham. Currently, we are working with several architects to update and re-imagine our campus to better express FFI's vision towards FFI's vision for the future. To learn more, visit www.ffinternational/durham.

Stop by for a visit and see us in action! On any given day, visitors will see staff Zooming with participants from across the country and globe, young people doing a Zumba class in the parking lot, alumni practicing workshops, local community groups using our meeting space, or volunteers outside on the green space helping us beautify the campus. At FFI, there's always something exciting and innovative happening! Stop by and visit to see for yourself!

CORPORATE RETREATS

FFI will work with you to design a program that can include the following components: leadership, communication, public speaking, strategic planning, teambuilding and more. These retreats can be half days, several days, or spread out over an extended period of time. Primarily offered at our beautiful campus in Durham, we also offer the opportunity for companies to hold retreats at our center in Northern Ireland. All fees for the retreats go towards scholarships for our participants, so it's a win/win.

HOST YOUR EVENT AT FFI

Need a space for board meetings, workshops, or a nonprofit event? Use our campus to host it! Whether you book for an event and/or stay in a room at the Raiche Farmhouse, you'll find our campus welcoming and functional.

During your stay, we encourage you to learn more about Friends Forever International. A short video will be played at the start of your visit, and printed materials will be available for your perusal.

You can learn more about our global campuses at www.ffinternational/locations. You can also check out the Raiche Farmhouse on [Airbnb](https://www.airbnb.com), or scan the QR code to go to the listing.

VOLUNTEERING OPPORTUNITIES

VOLUNTEER DAYS

Volunteer days are a great way to get your employees involved with FFI and out of the office! Whether your company is a Fortune 500 like Liberty Mutual or a regional corporation like Hancock Associates, we can work with you to find volunteer opportunities that meet the interests of your employees.

Some examples of past volunteer days include Liberty Mutual prepping our community garden for planting, Irving Oil beautifying our Durham campus during Spring clean-up, Cambridge Trust cleaning out a donated property, and more. All of these volunteer activities allow FFI to offer a welcoming home for our young people.

These service days are a great opportunity for your employees to give back to the community and do a little team building FFI style. If your company holds service days and you would like to add FFI to your list of service sites, please contact amelia@ff.international.

New England Young Professionals Program - Coming in 2023!

As we continue to expand our program to develop empathetic young professionals from around the globe, we were asked to design one for local New Hampshire residents that are in the beginning stages of their careers. This program is different from other young professional programs as it will focus on building the communication, project management, and team-building capacities of the participant. They will be integrated into our international programming opportunities and supported in creating social action projects that will benefit their New Hampshire communities. More information can be found on our website soon!
