What is Friends Forever International?

ABOUT US

Friends Forever International (FFI) empowers leaders to connect, strengthen, and serve communities around the globe by combining their passion to make the world a better place with the skills, experiences, and resources required to do so.

OUR GOAL

Every person who desires, regardless of ethnicity, religion, socio-economic status, and ability, will have the opportunity to build their leadership skills beyond what they imagined possible before participating in the program. These leaders will transform the way that they see the world and realize that they can change the world for the better. Now.

OUR IMPACT

FFI's programs give our participants the skills to have a tangible impact on the local and global level. Locally, our leaders give back over 1,000 hours of service during their program year. Globally, our 2,000 alumni have remained active in community work, with many taking leadership roles to enact change.

OUR HISTORY

Bob Raiche founded Friends Forever in 1986 with the first delegation of youth from Carrickfergus, Northern Ireland. These young men, five Catholic and five Protestant, traveled to Portsmouth, NH in the fall of 1986.

Bob's experience with group work led him to create the "Life Raft Formula", now known as the Skill Building Phase, a simple, yet innovative theory which takes participants out of their comfort zones and encourages them to lean on each other for support.

OUR PRESENT

FFI now enrolls 100+ leaders each year, from Northern Ireland, Israel, Cyprus, and the United States, who are guided through the program by a team of 8-10 alumni trainers. To accommodate our programs' growth, FFI has been establishing campuses in strategic locations.

Our Global Hubs include the Office and Farmhouse in Durham, NH, the 70-bed FFI Center at Annalong, Northern Ireland, and our 30-acre Rainforest Academy in Belize.

In between Belfast and Dublin and at the base of the gorgeous Mourne Mountains yet on the sea, it's a perfect location for us to continue to provide leadership development programs, as well as partner with like-minded organizations around the globe.

STAY AT ANNALONG

For individuals, we are excited to offer private rentals of the hostel and cottages to everyone in our Friends Forever Family! We are also pleased to welcome NGOs, universities, and companies from around the world to host their conferences or partner with FFI to run leadership programs for their organizations.

We are very interested in collaborating with all other NGO's in Northern Ireland as we all work to build a stronger global community. Whether it is simply sharing our space or a more in-depth partnership, the Center is a new opportunity for organizations to come together.

LEADERSHIP PROGRAMS AT ANNALONG

We are pleased to welcome organizations to host their programming or partner with FFI to run leadership programs for their schools, youth clubs, corporations, or NGOs.
